

Tour Castle in the Clouds

Spectacular views, wildlife abounds.

Tour the historic mansion, explore the natural splendor!

For extraordinary family fun, visit New Hampshire's

famous estate in the Ossipee

Mountains over-looking Lake Winnepesaukee. The Lakes Region Conservation Trust is proud to be steward of Castle in the Clouds and its 5,200 acres of surrounding wildlife habitat.

Visit for a few hours, or make a day of it! Tour the historic landmark, acclaimed for its unusual architecture and

household devices, invented before their time. Hike along 85 miles of private trails – or simply wander through wooded terrain dotted with waterfalls, lakes and trout ponds. In these natural habitats, wildlife flourishes. In fact, your luck

New for 2004! Nature programs for children and adults presented by the Squam Lakes Science Center, the Loon Center, and the N.H. Audubon Society, 1:30 pm every Tuesday, Wednesday and Thursday in July and August. A different program each week!

might find you face-to-face with a deer, moose, free-range turkey or perhaps a bear!

Enjoy a light lunch or picnics to go! Surrounded by majestic views, you can relax and enjoy a casual lunch from the snack bar on the Carriage House patio –

or order picnic box lunches with popular soft drinks, juice, wine, and beer.

Host events at the Carriage House
