

THIS REFRESHING WATER, some of the world's purest, comes to you from the Ossipee Mountains of New Hampshire. There, rains and melting snow filter down through layers of granite rocks and stones, and bubble up naturally into an environmentally protected spring. Specially bottled for The Mount Washington Hotel & Resort by Castle Springs LLC Moultonborough, NH 03254 800-430-9287

Ingredients:
natural spring water
and carbon dioxide

28 FL. OZ.
(829 mL)
